## NEIGHBORHOOD UPDATES

**Commissioner Angelica Castañon**

### Heads Up!

#### 13th Street Residential Parking Permits (RPP)

D.C. Department of Transportation (DDOT) has fixed a glitch in their system and those of you who could not previously get a RPP can now apply for one. Please apply for your RPP soon as DDOT will be placing Zone 1 Parking signs on the 3100 block of 13th street.

#### Public Transportation

DDOT has assured me that safety improvements for the 13th and Lamont crosswalk should be installed within the next 30 days. I will continue to follow up on the improvements for 11th and Lamont and Sherman and Lamont.

### Updates

#### Zoning, Parks, and Public Space

DDOT will continue construction of permeable pavement along 11th street. Construction is currently on the 3200 block of 11th street. Beginning June 10th, DDOT will begin construction on the 3300 block of 11th street.

DDOT was supposed to install sod throughout the SMD by May 17th. I am waiting on updates from DDOT.
